JOINT MOTION TO AMEND DOCKET CONTROL ORDER

NOW COME Plaintiff Phenix, LLC and Defendants Integrated Memory Logic, Limited, Integrated Memory Logic, Inc. and Exar Corporation (collectively the "Parties") file this Joint Motion to Amend Docket Control Order requesting that the Second Amended Docket Control Order (Doc. No. 69) entered in this action be further amended as set forth below:

- 1. The Parties have been diligent in their efforts to comply with the deadlines set forth in the Court's Second Amended Docket Control Order.
- 2. The Parties jointly request that the deadline to substantially complete document production and exchange privilege logs be extended from the current deadline of January 28, 2016 to February 12, 2016.
- 3. The requested extensions of the above deadline will not affect the claim construction hearing date previously set by the Court, nor any other deadline contained in the Second Amended Docket Control Order that cannot be changed without showing good cause. The Parties' joint request for a brief extension of this deadline is so that justice may be done, and not for any improper purpose.

4. A proposed Third Amended Docket Control Order adopting the Parties' requested amendments is submitted herewith.

WHEREFORE, Plaintiff Phenix, LLC and Defendants Integrated Memory Logic, Limited, Integrated Memory Logic, Inc. and Exar Corporation respectfully request that the Court grant this Joint Motion to Amend the Docket Control Order by entering the parties' proposed Third Amended Docket Control Order and for such other and further relief as the Court deems suitable and just.

Dated: January 27, 2016

Respectfully submitted,
